School Mission: Each student is highly educated, prepared for leadership and service, and empowered for success as a citizen in a global community. 100% Student Success!

Curriculum: Beechcroft has 44 Certificated Teachers. Ten Instructional Assistants, 4 of which are child care attendants and 3 therapists who all work with our 9 units of special needs students. Our course, "Student Wellness and Personal Fitness" in conjunction with courses at the Career Centers could lead to possible careers in the allied medical field. Advanced technology course work and differentiated instruction round out how we prepare our students for "real life".

What Makes our School Outstanding: **1. Peace, Pride, Progress Program** - Accelerates an engaging learning environment, celebrating diversity and respect for self and others. **2. Freshman Fusion** – A program in which junior and senior student leaders help to ensure a successful academic and social transition to high school for freshmen students. **3. AVID Program** – Students are placed in a course that helps with organization, study skills, critical thinking, motivation, college preparation, etc. **4.** A history of "Exemplary" rated *Rotary Service Above Self Awards*.

Sports: Beechcroft is a member of the Ohio High School Athletic Association offering 18 sports: girls & boys cross country, tennis, soccer, basketball, track, bowling, softball, baseball, wrestling, football, volleyball, and swimming. We also have award winning cheerleaders, drill team and band.

Activities: Beechcroft students participate in various clubs, activities, and community group projects which cultivate whole-student development. Our STEM Club and Student Council are two new and thriving opportunities for students to be involved in worthwhile, engaging and hands-on experiences.

Parent Involvement: Our parents are a vital component of the Beechcroft family and have developed a strong Athletic Booster organization. Our parents are also involved in interviewing prospective faculty and staff, chaperoning events, and planning school/community initiatives.

Location: We are north of E. Dublin-Granville Road and east of I-71 North.
