Hello Windsor Families!

I hope this correspondence finds you personally and professionally well. This is an important reminder for every parent/guardian to please update your contact information in Infinite Campus (via the Parent Portal). I know that technology for some seems daunting, however we are doing everything in our power at Windsor, to ensure a smooth transition into our digital learning platform (-). In addition, the district is providing various resources and opportunities of learning that we would like you to be aware of in a timely manner to support your families. I am more than certain many of you may have questions pertaining to chrome books, attendance, food, and the overall status of the 2020-2021 academic year. I would love to invite you to our monthly parent & staff town hall meeting called “Tea with Tate” to meet with you and address your concerns. While I cannot promise that I have all the answers, I do promise that your voices will be heard as we work together on behalf of your child’s education.

I am so excited about this school year, and working with you all, to strengthen the relationship between our families and our schools. Despite the circumstances, this year will be a dynamic year and highly effective school year. Our first meeting will be held on Thursday, September 3rd at 6pm. Thereafter, we will meet every first Thursday of the month at 6:00pm.
