

What's Happening at Windsor

NOVEMBER 5TH, 2021

WINDSOR FAMILIES,

Hooray! We have **officially completed our first quarter of school!**

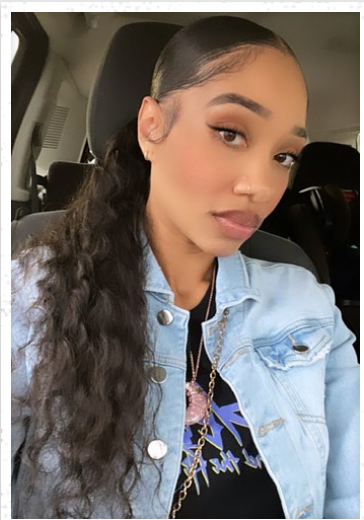

Report cards will be coming home soon. Your child's teachers will be contacting you to schedule parent teacher conferences, please be on the look out. **Conferences will be held on November 9th and November 17th.**

Important upcoming dates:

November 9th and November 17th - Parent teacher conferences

November 24th-26th - Schools closed for Thanksgiving Holiday Break

NEW FAMILY AMBASSADOR

My name is Jayla Richardson, and I am the new family ambassador for Windsor's 2021-22 school year. I am a Windsor STEM Alumni and attended Windsor my 3rd -5th grade years. I have a 13 year old son in Columbus City Schools, who also attended Windsor his 4th grade year. I'm excited to be back here as an adult and connecting with Windsor staff, students and families. Just like you, I am a parent and having a child, keeping up with the ever changing school systems, or finding local assistance and resources within the community can become extremely challenging. In my role as a family ambassador, I am dedicated to supporting you and your child(ren) attending Windsor and to helping you transition into a smooth school year.

I would love to connect with Windsor families and get to know you better.

CHECK AND CONNECT CALLS

Here at Windsor, we understand the negative impact that COVID-19 has placed on many of our families, which is why starting this upcoming week we will begin a new call initiative called Check and Connect. Check and Connect is a way for us to hear what you are experiencing in real-time and provide you with up-to-date information about social, health, and government services. It is also a way to remind you of upcoming district and building events. We know that calls during the day may make you think we

are calling about a concern with your child, which is why I want to inform you that any call from this number 614-365-5906 ext. 75543 will be a check and connect call. Please know that we are all in this together and I am looking forward to partnering with you this 2021-2022 academic year.

Please feel free to contact me with any questions or concerns;

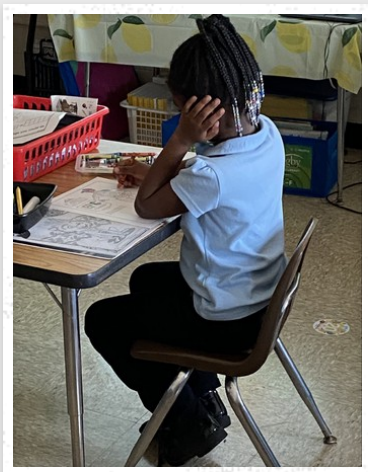

CLICK HERE to schedule an appointment with me.

<https://form.jotform.com/213015319870047>

You can also contact me directly Monday, Tuesday, and Wednesday between 9am and 2pm.

Office phone: 614-365-5906 ext. 75543

Email: jrichardson1@columbus.k12.oh.us

NEED UNIFORMS?

As a reminder, Windsor is a uniform school and students are awarded points that they are able to use in the school store when they come to school in them. Our uniforms consists of black, navy blue, or khaki bottoms along with collared shirts that are black, white, light blue, navy blue, yellow or pink. Here at Windsor, we strive to make sure that no child is left behind, and for that reason we have partnered with Charity Newsie.

Charity Newsie is giving families three uniforms per child in the household. You heard right!! **THREE FREE NEW UNIFORMS!!**

The clothing application program for the 2021-2022 school year will remain open until Friday, December 3, 2021. I've helped make this process simple as possible. Please click the link below and schedule a time to come in, and I will personally help you fill out a form to get your child(ren) uniforms.

CLICK HERE

<https://form.jotform.com/213015154208039>

In addition, I'll also have some apple cider and treats available. While here, feel free to take a look around and grab some items

from our Windsor free store. Our free store consists of gently used clothing, coats and house hold items.

If you prefer to apply from home, I've included the link below:
<https://charitynewsies.org/getting-help/big-changes-coming/>

Clothing Packets will consist of one winter coat, knit hat and gloves, 3 pairs of pants, 3 shirts, 6 pairs of socks and underwear. All clothing will conform with the published uniform and/or dress code policy of each child's school. For schools that allow a uniform only, a uniform voucher will be provided in lieu of the shirts and pants, as applicable. A shirt/uniform voucher will also be provided for those schools requiring a school logo shirt in lieu of the standard shirt selection.

THE FOUR B'S

We all know that the education of our children is important, but the behavior of our students is equally important, and we want to make sure that they are successful in both areas. We encourage our students to be leaders by having them practice and recite the "4 B's" every day, and they are recognized for it in several ways.

The 4 B's are: BE SAFE, BE RESPECTFUL, BE RESPONSIBLE, and BE READY TO LEARN. We need your support in making sure that the students show these behaviors at school.

Students who are "caught" showing these positive behaviors are given the opportunity to earn the title of STUDENT OF THE WEEK. Students also earn points by showing positive behaviors and are able to spend those points in our school store.

(ClassDojo is a communication system that we use with parents/guardians, and students are also awarded points on this system when they are seen demonstrating positive behaviors including wearing their uniforms. If you haven't signed up for ClassDojo, please contact your child's teacher as soon as possible.)

We'd like to **CONGRATULATE** our students of the week for the last three weeks:

Oct. 11

1st Grade- Lyric Carson
