### What is HealthSafe ID?

HealthSafe ID® is the updated, secure way to sign in to your UHC account. It lets you choose one username and one password to access nearly all your health benefits information. Registration is a simple process you can complete using your health ID card or enrollment materials. To keep your account secure, we'll ask you to confirm your email or phone number. If you've already registered through myuhc.com, your name will be in the system.

#### Download the UnitedHealthcare® app

It's perfect for on-the-go access, help finding a nearby doctor and more.
