# Search for a provider on myuhc.com

You are able to check your doctor's network status with UnitedHealthcare before you are enrolled. Just follow the steps below.
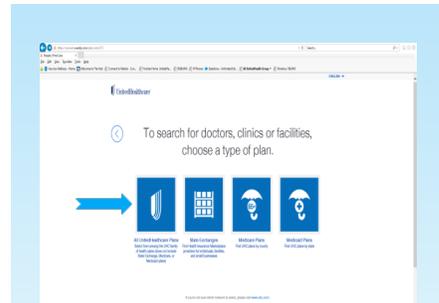

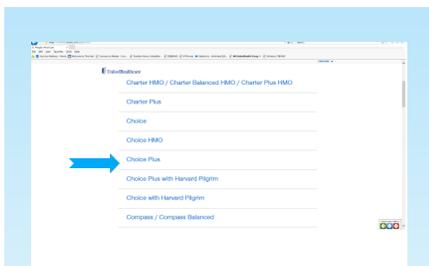

1

## Go to myuhc.com

2

Click on the directory you want to search

3

## Click on the All UnitedHealthcare Plans icon

4

Choose the Choice Plus Network

5

Type in the name of your provider

6

Check their network status
