

Checklist for College Credit Plus (CCP) Education Pathway

Please note that in order to participate in CCP you must first watch an [informational video presentation](#) and complete a [Letter of Intent](#). If you have not completed this step by April 1st, please see your school counselor for a waiver.

☐	Watch the informational video and complete the Letter of Intent (link listed above)
☐	Fill out CCP Application for Franklin University
☐	Turn in supporting documents • High School Transcript (sent by the counselor) • Other documents as requested by college
☐	Follow college's guidelines for assessments
☐	Work with Ms. Stevens to identify the educational courses you will take be taking in the Educational Pathway
☐	Set up your account/email with the college after you have completed the application • Once admitted, you are now considered enrolled at the college and all communication will be sent to your college email address or put in the college portal. It is important that you activate your accounts immediately. • Check your college email regularly for announcements, additional steps, or requirements such as residency, selective service, etc.
☐	Schedule any necessary orientations or meetings with the college academic advisor. This is how scheduling will occur.
