

AVIATION ACADEMY

STUDENTS IN THIS ACADEMY will explore multiple aspects of the aviation industry and flight fundamentals while gaining insight into the many careers available in aviation. By the end of this year-long academy, students can earn 8 OSU semester hours, a drone remote pilot license and be prepared to take the written test for FAA Private Pilot certification. This program is for students who have a strong academic record and meet OSU Academy admission standards.

THIS PROGRAM IS FOR STUDENTS WHO...

- Have interest in the aviation field and want to explore careers
- Enjoy experiential learning, field trips, and all things flight-related
- Want to learn more about themselves & professional skills

STUDENT EXPERIENCE

- Participate in two Ohio State courses: Introduction to the Aviation Industry (3 credits) and Private Pilot Fundamentals (5 credits)
- Prepare for the FAA Remote Pilot Certification (CFR 14 Part 107) and FAA Private Pilot written exams
- Real-world learning in the Field Experience class through career speakers, airport field trips, flight simulator, etc.

HOW CAN YOU PARTICIPATE?

- Apply to and be accepted as a College Credit Plus (CCP) student at <https://academy-ccp.osu.edu/apply> *Indicate Aviation Academy preference
- The deadline to apply to the program is Sunday, May 1, 2022
- Be academically eligible according to the statewide threshold eligibility criteria as well as the OSU requirements
- Be considered a resident of Ohio, as defined in state law
- View the CCS CCP informational meeting & submit the Intent Form (click link below)
