What is the Junior JumpStart Program?

*Junior JumpStart (JJS) is a dual enrollment program for juniors that enables students to earn high school and college credit simultaneously. Participating juniors will spend a portion of their day at their high school and a portion of their day at Columbus State Community College completing their high school requirements and earning **10 semester hours**. Students must apply and be accepted into the program as 10th-graders.*

JJS... Assistance & Support

JJS is a program under the umbrella of College Credit Plus (CCP). CCP was created by the state of Ohio in 2015. JJS offers an additional layer of targeted support and advising to ensure that cohort members are successful. It also allows students the benefit of collaborating with other CCS students. Participants are selected by the program committee in separate application and acceptance processes.

JJS provides ASSISTANCE that covers:

- The cost of tuition, books, and fees (*fees like parking and campus rec center are not covered*)
- Extended COTA bus pass to help with transportation
- Preferred acceptance into the Seniors to Sophomores program

Selected students will take classes with the district's program partner:

- Columbus State Community College (CSCC) main campus

STUDENT BENEFITS INCLUDE:

- Exposure to college coursework
- Earn **10 semester hours**
- High school AND college credit simultaneously
- Courses weighted on a 5.0 scale
- Added layer of targeted support in the form of:
