EARNING THE **TECHNOLOGY SEAL**

Ohio's Long-term Graduation Requirements 2023 and Beyond require students to earn two seals to demonstrate Readiness to transition to next steps after high school.

The **TECHNOLOGY SEAL** is one of these seal options.

THREE WAYS A Student Can Earn The TECHNOLOGY SEAL:

- Earn a score that is at least equivalent to proficient on a technology **Advanced Placement** (AP) or **International Baccalaureate** (IB) exam

- Earn a final course grade that is equivalent to a "**B**" or higher in a technology class taken through the **College Credit Plus** program

- Complete a district-approved technology course and satisfy all of the requirements of the **Technology Seal Rubric**

Please reach out to your School Guidance Counselor for more information.
