## 2019 PROFESSIONAL DEVELOPMENT

### WORKSHOPS DESCRIPTIONS

#### **Using Destiny Catalog and Collections in the HS English Class – September 20 or September 25**

*Southland Center - 4:00 p.m. – 5:00 p.m. Course #35942*

Join Middle/High School English teachers for a presentation on how to develop Collections by Carey Miller of Follett. This will provide a great opportunity for collaboration with English teachers. (.1 CEUs)

#### **Getting Started Google Expeditions K-12 - September 26, 2019**

*Southland Center Room 120 – 4:30 – 6:00 p.m. Course #36053*

Bring your lessons to life!! Virtual Reality opportunities allow students to explore places they would not be able to easily. Visiting Museums, Underwater Reefs, and Outer Space are just some of the Virtual Field Trips that can be explored with Google Expeditions. In this session, you will learn about the specific classroom materials that are needed to fully experience these trips. (.2 CEUs)

#### **Introduction to Coding - October 16, 2019**

*Apple Store @ Easton 10:30 - 12:30 p.m. Course#36052*

Learn more about the free educational opportunities available to CCS students at the Apple Store. Learn about various coding software and products. You will learn to Code! Space is limited. (.2 CEUs)

#### **Introduction to Google Classroom Grades K-12 – October 29, 2019**

*Southland Center Room 120 – 4:30 – 6:30 p.m. Course#36054*

Meet the new Google Classroom! In the session participants will learn how Classroom saves time and paper, create classes, distribute assignments, communicate, and stay organized. In addition, proficient users of Google Classroom can learn about the many updates made this summer. (.2 CEUs)

#### **Getting Started with Apple GarageBand: November 20, 2019**

*Apple Store @ Easton 10:30 - 12:30 p.m. Course#36055*

Learn more about the free educational opportunities available to CCS students at the Apple Store. Learn about various coding software and products. You will learn to Code! Space is limited. (.2 CEUs)

#### **SMART Learning Suite & Google Drive K-12 December 12 , 2019**

*Central Enrollment Lab 213– 3:30 – 5:00 p.m. Course#36056*

Smart Learning Suite Online is now integrated into Google Drive! In this session, we will practice uploading Smart Notebook activities into Google Drive and creating new Smart Learning Suite Online activities directly in your Google Drive. (.15 CEUs)
