Summer and Beyond

- When will schedules for the 2020-2021 school year be ready for pickup or viewing online?
 - Whetstone holds its “schedule pickup” generally the Wednesday prior to the first day of school (2020 date TBD).
- Why are the schedules not ready earlier?
 - The Master Schedule and the Mass Schedule upload occurs based on CCS requirements over the summer by the Whetstone Principals. After those tasks occur, School Counselors must go through and refine each schedule for accuracy. Clean- up of schedules takes significant time with over 1000 student schedules.
- How do I contact Whetstone Staff over the Summer?
 - Email is by far the best option. All School Counselors schedules vary. The summer contract is changing this year, so we are most likely only available during the first 1-2 weeks after the school year and 1-2 weeks before school begins.

THE NEXT FOUR YEARS

- **Internship Hours:** This can start the summer after your 8th grade year. Volunteer, get a summer job, work a camp, job shadow at your parents or neighbors job and much more.
- **College Credit Plus:** Make decisions early about College Credit Plus options and Advanced Placement to be properly prepared. We welcome you to attend Whetstone's College Credit Plus meeting on February 13 (time TBD).
- **Braves Bulletin:** bravesbulletin@gmail.com For Whetstone news.
- **Attend Summer Camps:** Remember, many colleges host summer camps for high school students **Visiting Colleges:** It is never to early for a college visit. Plan on visiting one or two colleges as a freshman.
- **Graduation Planner:** Use for long term planning of courses.
