# Bus Routing Information Is In Your Parent Portal

The District's transportation department no longer mails bus route information to families' homes.

- **Transportation eligible families will now receive their child's bus routing information through the Parent Portal.**
- You can access your child's bus information by clicking on the Transportation tab within the Parent Portal.
- Students enrolled in the District by August 4, 2025, will receive their updated transportation information on August 18, 2025.
- Students who enroll after August 4 may experience a delay in their routing for the first day of school.

**Check the Parent Portal regularly for updates to bus stop times and locations!**

For timely updates, make sure your contact information is up to date.
