

## Ohio Avenue Elementary School Uniform Dress Code

2018-2019

A uniform dress code is designed to emphasize what we have in common and to minimize our differences. Ohio Avenue students should be prepared for academic success by coming to school dressed in a manner that is safe, free from distractions, and full of pride. The uniform dress code is designed to bring individual and collective respect to each of us and to our school. It is the responsibility of the parent/caregiver and student to make sure proper uniform is worn to school.

### ON BOTTOM
