Virtual Classrooms

Ways to Help Support your Student

Parents are welcome to come to Eakin during the school day. We ask that you sign in with the office staff. This will ensure that we have a record of adults in the building. There are a variety of ways that parents | families can support the work that is done at Eakin.

Ensure Parent Contact Information is Accurate

This is important should we need to contact you to come pick up your student from school. Students who exhibit symptoms that could be COVID19 related will need to be picked up at school.

- Check your student in daily to their Virtual Classroom
- Encourage your student to find a spot to work that is free of interruptions
- Encourage your student to keep school supplies handy
- Have student camera on and microphone muted
- Review student assignments daily
- Minimize screen time that is not school work
- Contact your student's teacher to ensure that there is a clear connection between home and school
- Reinforce healthy schedules that include bed time and wake up time that ensures students receive 8 hours of sleep
- Know that it is okay to take a break from the work, especially if your student is feeling overwhelmed
