PBIS Rewards Parent App Access

To: Parent or Guardian of [REDACTED]

From: Eakin Elementary School

Note: The content of this letter is confidential and intended for the recipient specified above only. It is strictly forbidden for anyone other than the intended recipient to use this letter to access information in any way. If you received this letter by mistake, please destroy the letter or return it to the school listed above.

Our School is using PBIS Rewards to help us with our PBIS program. PBIS Rewards is a technology-based PBIS Management System that helps us with our behavior incentive program. You can learn about PBIS Rewards at their website (www.pbisrewards.com).

Our students can earn rewards throughout the day by meeting our behavior expectations. These rewards are in the form of electronic points. They can redeem these points for privileges, tangible items, access to events, and other similar things. Our expectation is that we will see overall behavior improve throughout the school and that the number of referrals we have will decrease.

PBIS Rewards has a Parent App that will give you some insight into how your child is doing with respect to our PBIS program. The Parent App will run on most smart devices, including smartphones and tablets. You can find it in the iPhone/iPad App Store, Google Play, and the Amazon App Store. Just search for "PBIS Rewards Parent".

Once you have installed the app, you can scan the QR Code below. You will have to confirm your relationship to [REDACTED] by certifying that you are a parent or guardian. Once you have done this you will be able to see [REDACTED] progress with PBIS Rewards.

You can add more than one student to the app, even if they go to different schools, as long as the school is using PBIS Rewards.

We encourage you to talk with your student about what they must do to be successful with PBIS Rewards and to encourage them when you see them being successful.

Thank you!

What Does Learning Look Like?

Parents will soon have access to videos of Eakin students and teachers working together.
