

Senior News

April 9, 2020

Message from the Senior Advisory Team

We know that you must feel like this pandemic has stolen the last few weeks of your Senior year. In 20 years you will look back on this time, perhaps with wonderment or any of the wave of emotions that you must be feeling right now. Know that we are all in this together, and we are available any time you have questions or need someone to talk to.

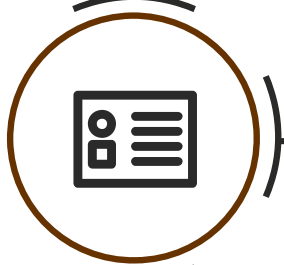

Senior Breakfast

If you paid for Senior Breakfast, the request for a refund has been submitted on your behalf. All refunds will be sent to your address of record.

Prom

Canceled. 😞

As you know, prom was scheduled for May 1st. Due to the ongoing health crisis, which was recently expanded to May 1st, our prom has been canceled.

Senior Showcase

We will be collecting information from you about your high school activities and your plans after high school. This information will be collected in a Google Form. Please check your assignments in (Counselors) Google Classroom, the school website, or your district email address for the link.

Graduation

There are no new updates on the graduation schedule. The district will be following the guidelines as set forth by the OH Dept. of Health and the Governor's office. We will let you know as soon as possible when updates become available.

The graduation requirements have been updated. We will be contacting each Senior individually with appointment times to discuss how these changes affect you personally. Please check your emails/IC for updates about your scheduled time after Spring Break. Meanwhile, continue to work hard on your coursework to ensure that you are doing your best work to finish strong!
