# What you ART to know!

*Sunday, October 6, 2019*

Good evening AIMS families. I hope you had a good weekend with your student and they spent the weekend catching up on assignments! Since we missed two days of school last week I told staff and students we needed to be intensely focused on learning.

This week is extremely busy at AIMS, so please mark your calendars accordingly. On Tuesday we will be kicking off the PTO sponsored Popcorn Fundraiser. Popcorn John will be at lunches to go over the information with students. The sale will start that day and end on the 22nd. The sale will also include the Boon Supply Bags, which is online only, and includes fun gifts such as bags, kitchen items, tech & office, gifts and more!

Dinner with Dodson and Lee, followed by the PTO meetings will begin Tuesday evening and occur every 2nd Tuesday of the month. This month Nationwide Children's Hospital will be presenting information on after-school programs, health care, mental health, housing/utilities and employment. The PTO meeting will review the goals and committees for the year.

We are now a Box Top Collection school! Mrs. Rogers, one of our new PTO members, has created a flyer with more information, which is attached to your email. So start cutting and saving those Box Tops as it helps us to earn money for our school.

All important PTO and Dinner information can be found on both AIMS websites!

Early Release will be Wednesday, October 9th, with students dismissing at 1:00 pm. With shortened class periods, we will have limited hall passes.

Lastly, each week's updates will be posted on both websites. Select Families and then What you ART to know! We are just getting this kicked off, so please be patient.

As always, thank you for your support in making AIMS a place where students can truly showcase their artistic abilities, and the vision where every AIMS student will develop to their fullest potential as an artist, creative thinker, and independent lifelong learner is lived out every day!

Sincerely,

Ms. Dodson
