**HOPES, DREAMS,
AND ASPIRATIONS**

FOR EVERY STUDENT

We need your perspective as we develop our Portrait of a Graduate, a collective vision that articulates our community's aspirations for every student in Columbus.

What are the skills and mindsets that our children need to succeed in this rapidly changing and complex world?

Our Portrait of a Graduate will be our North Star, bringing our community together with a shared vision.

Open to all Columbus community members. Come with friends, family, and colleagues!
