NEWSLETTER FOR MARCH 2022

WELCOME TO MARCH!

This is our family ambassador Marybel Perez-Ridley with a special message! If you need our monthly newsletter translated in another language please hit the translation button on the top right of the page. Thank you!

CELEBRATE WOMEN'S HISTORY MONTH

This collection of film celebrates Women's History Month by focusing on women and girls around the world. The films tell powerful, personal stories; and the activities encourage parents and students to learn and understand international struggles and take an active role in addressing local concerns. GLOBAL SCHOLARS OF COLUMBUS INTERNATIONAL HIGH SCHOOL

"The GSD field trip was a huge success and our students represented International well. They engaged in a simulation that explored the challenges of suddenly being displaced from their homes and also worked on a poster identifying the impact of global warming on indigenous peoples around the world." - Ms. Bishop

EDUCATIONAL OPPORTUNITIES

SENIORS TO SOPHOMORES

Seniors-to-Sophomores (S2S) is a highly selective, dual enrollment program for seniors that enables them to earn a year worth of high school and college credit simultaneously. The program will allow students to be challenged academically, gain valuable life skills and enter college as a sophomore. Student participants are chosen through a selection process after applying and meeting the program's eligibility requirements.

OTTERBEIN SUMMER BRIDGE PROGRAM

Join other students from the Columbus City School District on a Otterbein's college campus in a small learning environment for a fast paced 2022 summer program. You can also earn 5 college credit hours with the potential to earn more during your senior year of high school by continuing to enroll in college courses at Otterbein University. Deadline is April 14th.

CCS AVIATION ACADEMY

Students will be offered the opportunity to explore multiple aspects of the aviation industry and flight fundamentals while gaining insight into the many careers available in aviation. By the end of this year-long academy, students can earn 8 OSU semester hours, a drone remote pilot license and be prepared to take the written test for FAA Private Pilot certification.
