

WELCOME TO
The 36TH COMMENCEMENT CEREMONY of
FORT HAYES ARTS *and* ACADEMIC
HIGH SCHOOL

CLASS of
TWO-THOUSAND TWENTY-FOUR

We are delighted to welcome you to the Fort Hayes Commencement, the formal ceremony honoring years of sacrifice, dedication, and preparation by our students and their families. The graduation ceremony represents a tremendous rite of passage. Therefore, we invite you to embrace the Fort Hayes Expectations of Excellence to ensure a respectful and memorable experience for all attendees.

We offer the following guidelines for audience behavior. Thank you for your willingness to contribute to the success of the ceremony.

- Doors will temporarily close when the ceremony begins at 6:30 PM and will remain closed until after the graduates finish their procession. Once graduates are fully seated, the doors will reopen.
- Please silence or power-off all phones, smart watches, tablets, etc. to decrease the risk of interruptions and distractions during the ceremony.
- Please make sure that when you show pride in your graduate, you aren't drowning out the recognition of another, especially during all speeches and the Presentation of Diplomas.

This includes but is not limited to: excessive talking, yelling, and/or stomping during the ceremony. The use of air horns, cowbells, whistles and all other noisemakers, beach balls, or other distracting objects is **strictly prohibited**.

- Young children develop audience habits early. Please help them to understand the expectation for quiet and respectful listening during the ceremony.
- We understand that young children can sometimes become restless. If your child becomes fussy or disruptive, please step outside the venue momentarily to avoid disturbing the ceremony.
- To demonstrate respect for the graduates, their families, and the efforts of all those involved in organizing this event, it is important to remain seated for the entirety of the ceremony. Please do not step into the aisles while graduates are entering/exiting. Please do not exit until the ceremony concludes and the graduates have exited.
- Please refrain from taking pictures until after your graduate receives their diploma. This allows the ceremony to flow smoothly and reduces distractions for other audience members.

We deeply appreciate your attendance at our graduation ceremony. Please help everyone enjoy this momentous occasion by respectfully adhering to these guidelines. We encourage you to revel in the achievements of our graduates and join us in celebrating their success. Thank you, and enjoy the ceremony.

The mission of Fort Hayes is to create expectations of excellence within students through challenging and collaborative learning by blending the arts, academic and career programs.

Closing Remarks/Recessional

Fort Hayes Graduates, Class of 2024

Greetings 2024 Graduates,

As an artist and an educator, the lens by which I view the world is embedded with an innate perspective of appreciation for aesthetic. In other words, “I see beauty in everything.” I believe that every student that is being celebrated is a masterpiece. Merriam Webster defines masterpiece as: a work done with extraordinary skill, especially: a supreme intellectual or artist achievement.

The class of 2024 is a significant cohort due to the historic nature of the COVID 19 pandemic. We have never seen a comparable scenario and have never experienced such a significant alteration in our educational normal.

Your class of 2024 represents the “new normal.” Your persistence and tenacity is a vivid demonstration of what it means to be focused, organized, resourceful, teachable, hardworking, artistic, yearlong, engaged and scholarly.

I would like to extend my heartfelt congratulations on your accomplishments as we celebrate this phase of your high school achievement. Your hard work and discipline have now positioned you for the next step in the life journey that will be your personal masterpiece. I/we are grateful to have had the privilege to share in the success of your journey thus far.

Thank you to the families for all the support because success is not an accident; extraordinary results require extraordinary effort.

“Your gifts lie in the place where your values, passions, and strengths meet. Discovering that place is the first step toward sculpting your masterpiece, Your Life.” Michelangelo

The mission of Fort Hayes is to create expectations of excellence through challenging and collaborative learning by blending the arts, academic and career programs. Class of 2024: Mission accomplished.

Sincerely,

A handwritten signature in black ink, appearing to read "Milton V. Ruffin", is written on a light-colored rectangular background.
