Parent Involvement Policy

Beechcroft High School will involve parents in regular, two-way meaningful communication addressing student achievement and ensuring:

- That parents play an integral role in assisting their child's learning.
- That parents are encouraged to be actively involved in their child's education.
- That parents are full partners in their child's education and are included, as needed and appropriate, in decision-making to assist in the education of their child.

In compliance with the Community Relations Policy of the Columbus City School Board, Beechcroft High School agrees to implement requirements to:

1. Involve parents in the joint planning and development of the district's Title I plan.
2. Involve parents in the development, implementation, and review of Parent-School Compacts. The compact will be signed during the open house and/or orientation and reviewed, when necessary, on an individual basis. The compact will also be posted on the school's website.
3. Build the school's and parents' capacity for parent involvement by:
 - Providing parent information on state standards, assessments, requirements of Title I, monitoring their child's progress, and working with educators. Information will be provided during an annual fall meeting, at parent/teacher conferences, in the school's newsletter, and on the school's website.
 - Providing materials, resources, and training to help parents work with their children to improve academic achievement. Resources will be provided in school/classroom newsletters and other teacher communications. Parent informational days/nights will be planned each year based on the school needs assessment and may include a Parent/Teacher Conference Night, Graduation Planning Night, etc.
