K-12 Digital Resources to Support Student Learning at Home

We are continuing to add to and update our list of digital resources to support student learning at home. The majority of the educational applications listed below can be accessed through the Clever Portal. The programs that are accessed through the listed websites are marked by an asterisk. Students are able to log in to Clever from home or school using their **studentnumber@columbus.k12.oh.us** as username and **birth date with dashes as password (MM-DD-YYYY).**

If you are new to Clever please follow this link instructional document to find instructions for logging in to the Clever Portal. If you need help with access during the school closure, use this link to submit a help ticket: https://support.clever.com/hc/en-us (7am-8pm).
