COLUMBUS CITY SCHOOLS

Any child 18 and under can pick up a five-day meal **EVERY WEDNESDAY** Beginning December 2 11:00 a.m.—1:00 p.m. or 5:00 to 7:00 p.m.

Temporary Process for Chromebook Pick Up.

Dear CCS Families,

Due to the new CCS health and safety protocols put in place in response to the City's Health Advisory on November 18, we are now instructing students/families to schedule an appointment at our Kingswood location (1091 King Ave., 43220) to get a replacement device.

Families must make an appointment ahead of time to visit Kingswood for a replacement device by calling 614-365-8425. We will not accept walk-up appointments. Appointments will be available only on Tuesdays on November 24, December 1, December 8, and December 15. All visitors must adhere to social distancing protocols and wear a mask.

Appointments will not be available over winter break (December 18 - January 3). Pending future City and/or State health advisories, CCS will determine if families will pick up replacement devices from Kingswood or from their school building after winter break.

If a student or parent is having a technical issue with their Chromebook (or a LEC is trying to help a student whose Chromebook isn't working), they should still call the CCS IT Help Desk at 614-365-8425 -- extended hours for the Help Desk remain in effect.

Thank you.

Your CCS Help Desk Team

IMPORTANT REMINDER

ATTENDANCE COUNTS

Students, you MUST Sign-in for every period.

Do your Very Best to Complete All Assignments!
