Focus on Academics

Principal's Corner:

Hello,

This month's Principle at Northgate is Order: I am in control and organized. Parents, please talk with your children about this principle so they can apply it at home as well as at school.

Can you believe that the first week of the 2022-2023 school year is behind us? We had a great start to the school year. Our students are Safe/Respectful/Responsible and Ready To Learn.

Our annual Open House will take place on Wednesday, September 28th from 5:30-7:00 p.m. A reminder will go out in the upcoming weeks. This is a wonderful time to get reacquainted with your child's teacher, meet with community vendors and organizations, and learn about the exciting and wonderful things taking place at Northgate Intermediate.

Safety and security of your child is my Top Priority. I will continue to look at new ways to make sure your child is safe in the classroom, playground, and on the bus. Please remember to turn in the Emergency Cards to the office and keep us updated of new phone numbers and addresses. Please refer to the flyer regarding bullying. We have a school wide bullying program in place with posters throughout the building and procedures for students to report bullying if they see it or are the victims of bullying.

Parents are always welcome to come in and volunteer their services. Our goal is for parents to fulfill their requirements to volunteer at least 1 hour a month at the school either in their child's classroom, office or around the building. We also need parent participation in our PTO in order to strengthen our school and community. You are an important piece to the learning environment and we need your support as much as possible!

Thank you very much

Parental Involvement in Schools

Parental involvement during the elementary years is vital in helping children attain academic success. Parent involvement tends to peak while the children are in the elementary school. The research also shows that the earlier parental involvement begins in a child's educational process, the more powerful the effects will be. Educators frequently point out the critical role of the home and family environment in determining a child's school success. It appears that the earlier this influence is instilled, the greater the likelihood of higher student achievement. There appears to be a relationship between the age of the child and the forms of parental involvement. Greater efforts to involve parents are seen at the preschool and primary levels. Efforts here focus on assisting in the classroom and reading to children at home.

Parental involvement at the elementary level requires work, dedication, and commitment from all parties involved. While some parents of grade-school level students may feel that "involvement" stops at bringing the children to and from school, those parents who immerse themselves in their child's education know that they must go much further. At the elementary level, using learning activities in the home helps promote academic skills. Students at this age level need the constant reinforcement of rudimentary skills to promote higher learning. Although children spend the bulk of their day at school learning to read and conceptualizing their thoughts with their teacher, learning should go beyond the classroom.

Knowing that parent involvement is vital to student success, Northgate Intermediate works with a school's **Family Ambassador (formally known as Parent Consultant)** in the building to improve parent involvement. The Family Ambassador's main goals are to work collaboratively with other parents, principal, counselor and staff to develop parent engagement activities as well as being a liaison for you (the parent) to communicate strategies and ideas to improve the overall climate of the school. Ms. Skipper (**Northgate's Family Ambassador**) is at the building Monday-Thursday and can be reached at 614-365-8815 if you have ideas, questions or concerns.

Northgate Intermediate

Vision Statement

Every student at Northgate Intermediate will make 2 years' worth of growth in reading and math by the end of fifth grade using current district/statewide assessment tools for evaluation.

Mission Statement

Northgate Intermediate's Mission is to provide a positive, cooperative learning environment where students, staff, and families set high expectations, are engaged, and motivated to increase student academic and behavioral successes through quality learning opportunities and to prepare students for success in middle school.

NORTHGATE INTERMEDIATE SCHOOL PRINCIPLES

1. Order:

I am in control and organized.

2. Balance:

I will work to achieve equality among my school, home & social life.

3. Harmony:

I will work with others peacefully.

4. Justice:

I will seek to set things right.

5. Reciprocity:

What I give is what I get.

6. Righteousness:

I do the right things and I am proud of it.

7. Truth:

I believe in myself and I am honest.

NORTHGATE RECESS

The weather in Ohio is often unpredictable and can change drastically throughout the day. Please monitor the weather daily and plan your child's attire accordingly. Unless it is raining or the temperature falls below 22 degrees, students will be outside for recess. If for medical reasons you wish for your child to remain indoors for recess, we require a medical note from your child's physician.

In order for recess to be a fun yet safe experience for all, we ask that the following basic playground rules are followed:

1. **Be Respectful** of yourself, others, and the equipment. Do not tease or hurt other's feelings. No fighting, spitting, graffiti, name-calling or swearing.
2. **Be Safe**. Keep hands and feet to yourself. "Friendly games" only. No tackling, slide tackling or grabbing other people or their clothes.
3. **Use Common Sense**. Know the difference between right and wrong. Your choice should not cause a problem for anyone else including YOU!
4. **Be Responsible for Your Own Actions**. Students are responsible to keep themselves dry, to keep track of their own personal belongings, and to help recess supervisors keep track of playground equipment. They should know and follow game rules and school rules and ask if they are unsure or if there is a dispute.

SEVERE ALLERGIES

It is the responsibility of the parent to notify the school of a student's severe allergy(ies). In dealing with known severe allergies, such as bee sting allergies, school personnel will call the emergency squad and the student's parents or guardian immediately.

ILLNESS

We want every child to learn and be successful. School attendance is linked to learning. However, there are times when your child may be ill and should stay at home until he/she feels better or is no longer contagious to others. Below are some guidelines to help you determine when your child should stay home.

- Temperature above 100 degrees by mouth
- Vomiting or diarrhea
- Shortness of breath or wheezing during normal activity
- Cough that interrupts normal activity
- Pain from earache, sore throat, or recent injury
- Rash or draining sores

Parent Volunteering-One Hour a Month

Parents, please remember to fulfill your obligation to volunteer at least one hour a month at the school. Your child will be excited to see you at the school and we desperately need your help in the office, classroom, lunchroom and outside during recess. Family Ambassadors will be raffling off gifts/prizes for parents who fulfill their obligations each month.

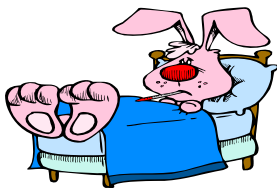

Safety on the School Bus

Safety and Security is a top priority at Northgate Intermediate. Please speak with your child about following bus rules and procedures. This will ensure that your child gets home safely every night. Students who repeatedly receive bus referrals will be removed from the bus.

EMERGENCY/INFORMATION CARDS

Please make sure that your emergency cards reflect current information. Please request additional cards to make additions/corrections. The emergency cards are utilized to contact families during illness, a medical emergency, power failure, critical event situations, etc. It is imperative that we have working telephone numbers and current addresses. The office staff appreciates your cooperation.

To excuse your absence from school, the school must have a signed note from your parent or doctor.

Bringing cell phones to school

Please refer to the Parent Handbook regarding students bringing cell phones to school. Cell phones are not to be seen during school hours. If cell phones are taken, parents will have to come to the school to pick it up. Please help us with enforcing the cell phone policy. Parents, if you need to contact your child, please contact the school.

PERSONAL PROPERTY:

Students must use good judgment when bringing personal property to school. The following suggestions are for your protection.

- Refrain from bringing expensive personal items or sizeable sums of money to school. If it is necessary to do so, arrange to leave items in the school office for safe keeping.
- Do not leave items unattended. Keep personal property safely secured.

Arrival And Dismissal To/From School

Parents, please remember that students should not arrive to school until 8:30 a.m. daily. Breakfast starts at 8:30 a.m. followed by Morning Announcements which begins at 9:05 a.m.

If your child is going to be picked up after school, students will be dismissed at 3:15p.m. from the parking lot next to the school. If you want to pick your child up before dismissal, we ask that you come before 3:00 p.m.

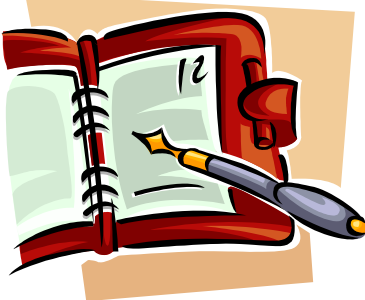

Homework

Parents, please continue to monitor the homework your child brings home. Remember, homework provides additional practice for concepts being learned at school. Your child should read for 20-30 minutes per evening and you should read aloud to your child each day. There is bound to be improvements in grades, test scores, and confidence in reading when students & parents read daily at home.

Pre-Arranged Conferences

We encourage our Northgate parents to schedule pre-arranged conferences with their child's teachers and administrators to make sure you receive the appropriate time needed to ask questions, address concerns and discuss academic needs. You can make appointments with your child's teachers or contact the office to set a time to meet with administration. If you come without an appointment, you are not guaranteed to speak with your child's teacher or administration.
