Dear Parent(s)/Legal Guardian(s):

As Summer 2022 starts to wind down, I want to welcome you back to the 2022-23 school year! It is my honor and privilege to introduce myself as the new principal at West High School. I have enjoyed serving the students of CCS as an assistant principal in my previous role, but I am even more excited to take on this opportunity to lead West High School and showcase the talents of our students, staff, and community partners. I hope that you have been able to experience a richness and meaningfulness with your time over the past few months. I believe the upcoming school year is an monumental and historic opportunity to embrace every child and provide them with the foundation to become adaptable, empathetic, and creative learners.

West High School is committed to the safety of your student(s) as well as providing high-quality culturally relevant instruction in our classrooms. West High School will continue to support our district and region goals:

- **Strengthen Reading Proficiency** - The percentage of third-grade students proficient in Reading on the Ohio State Test (OST) will increase from 43% in School Year 2018-2019 to 55% by June of 2026.
- **Close Opportunity Gaps** - The percentage of 4-year graduation cohort students who complete state and district graduation requirements will increase from 81.2% in August 2020 to 86% in August 2026.
- **Develop Portrait-Ready Graduates** - The percentage of the Class of 2028 who earn the Portrait of a Graduate Seal will increase from 0% in June 2022 to 25% by June 2028.

Please do not hesitate to reach out if you have any questions or concerns prior to the start of the school year. While we remain focused on resolution, our school community should know that CCS also is prepared to start school August 24 with minimal disruption and will ensure our students have ample opportunity to learn and grow. See the district link below for more information:
