

BEATTY PARK

SCHOOL SUPPLIES LIST

No School Supply List

Beatty Park does not have a mandatory school supply list like you may be used to. We are committed to providing all of the materials your child will need to be successful within our curriculum including paper, pencils, crayons, etc. The one item that we seem to go through the most are headphones. EVERY child needs a pair of headphones. If you could please send a pair of headphones to school with your child, that would be greatly appreciated.
