## What is DispatchHealth?

Getting the medical care you need can be inconvenient and expensive—That's why we're bringing you a new way to receive medical care. DispatchHealth offers safe, convenient and affordable medical care in your home for urgent health needs that do not require an ER visit. Get the care you need and recover comfortably at home. They are available seven days a week from 8am-10pm, including weekends and holidays.

## Who is eligible?

Columbus City Schools employees on the CCS health benefit plan and their covered spouses and dependents.

## What is the cost?

DispatchHealth is in-network with UnitedHealthcare and is billed at the same cost as an urgent care visit.

## Booking an appointment is simple, so you can focus on rest and recovery.

### Request Care

Call **(866) 747-4324**. No pre-registration is required!

### Explain Your Symptoms

Provide details about your illness or injury and any other information like your primary care provider's name.

### DispatchHealth Medical Team Arrives at Your Home
