

**Columbus City Schools  
Buildings and Grounds Standard Operating Procedures**

**TO:** Building Administrators, Head Custodians and Secretary to Principal  
**FROM:** DeJuan Hood, Director, Buildings and Grounds  
**RE:** **EMERGENCY CONTACTS**  
**DATE:** January 7, 2019 **CORRECTED**

**Plan Mission:** Issue Emergency Contacts to call in the event there is an emergency maintenance need during non-school days or after Buildings & Grounds Customer Service hours, Monday-Friday, 7:00 am – 4:00 pm. An emergency is defined as a problem or concern requiring immediate attention or repair and which cannot wait for the next workday. The Emergency Contact will respond or assign staff as necessary.

**Our Vision:** To provide and maintain quality conditions for the students, faculty, staff and visitors in support of the district’s goal of promoting learning environments that are student-centered, efficient, and stable.

**Core values:** Accountability, collaboration, knowledge sharing, recognition, and stewardship.
