Welcome our new Family Ambassador to the Woodcrest Family

In an effort to keep our families connected to community resources we are excited to bring our Family Ambassador on board. Ms. Stewart brings to the family a wealth of knowledge and community connections. She has lived in the Woodcrest community since 1989. She has three children, six grands and six great-grandchildren.

She has a heart and passion for kids and families. She has worked with Foster care and Health care. When asked why she wanted this position her response was, "I just want to be there for the families to help in anyway I can". We are excited to have Ms. Stewart as part of the Woodcrest Family.

PRINCIPAL MESSAGE

by Principal Yolanda Cooper

Greetings my Woodcrest Family,

We have persevered and made it through our 1st quarter of the year and Fall Intercession successfully. It's our first year "all in" since the pandemic and I am so thankful for your support in making sure your students were here each day and how you have welcomed me to the Woodcrest Family.

We are looking forward to the 2nd quarter and the continuation of the great things our future leaders will learn, share, and experience. It is our priority to continue to focus on safety for all of our future leaders, families and staff. Even though we have encountered some challenges this quarter, I applaud your tenacity and support.

Remember, we are all family here at Woodcrest! Together we can accomplish our goal of making sure our future leaders are prepared academically, socially and emotionally. It is going to be another great quarter; how do I know? Because we have the greatest students, staff and families here at Woodcrest.

Thank you whole-heartedly for partnering with me as we continue to navigate this school year. You and your support are appreciated!

Principal Cooper

Thank you!

THANK YOU TO ALL OF OUR PARENTS FOR PARTICIPATING IN:
