Attending this concert is an experience like no other, where the power of music transcends individual differences and unites us as a community. Our ensemble is a vibrant tapestry of musicians from diverse backgrounds, each bringing their unique stories and sounds to the stage. We believe that when these varied elements come together, they create something profound that speaks to the heart of our collective humanity. The singular sound that emerges from our performances is more than just music; it's a symbol of unity and healing. In the greater Columbus area, we are merging the diverse sounds of our community to craft an auditory experience that not only entertains but also inspires and rejuvenates. Join us, and be part of a journey where music becomes a bridge that connects us all, reminding us of our shared humanity and the beauty of coming together, creating

One Sound.
