COMPUTING CAREER CORPS

START YOUR FUTURE NOW! 2023

Computing Career Corps helps students learn more about technology and explore possible career paths.

Students will learn about 3D Printing, Coding, Robotics and more!

**Computing Career Corps will meet at South High School
Thursdays from 4:00pm - 7:00pm
February 2, 2023 - May 18, 2023
(One week off for Spring Break)**

If You Are:

- Curious about tech and eager to learn more

- A Franklin County 9th or 10th grade student

- Able to attend after school sessions one night a week for 3 hours for 15 weeks

- TANF or income-eligible

Sign Up TODAY!

bit.ly/2023tcccc 📱

Students who successfully complete the program will:
Earn a new laptop or $400; gain priority placement in a 4-week, paid summer internship earning up to $1,500; earn digital badges and internship hours.

Questions? Contact Rebecca, rdillow@techcorps.org

Computing Career Corps is funded by the Franklin County Board of Commissioners and administered by FCDJFS.
