STRATEGIES FOR A SAFE  
START TO SCHOOL IN 2020

# Demographic Summary

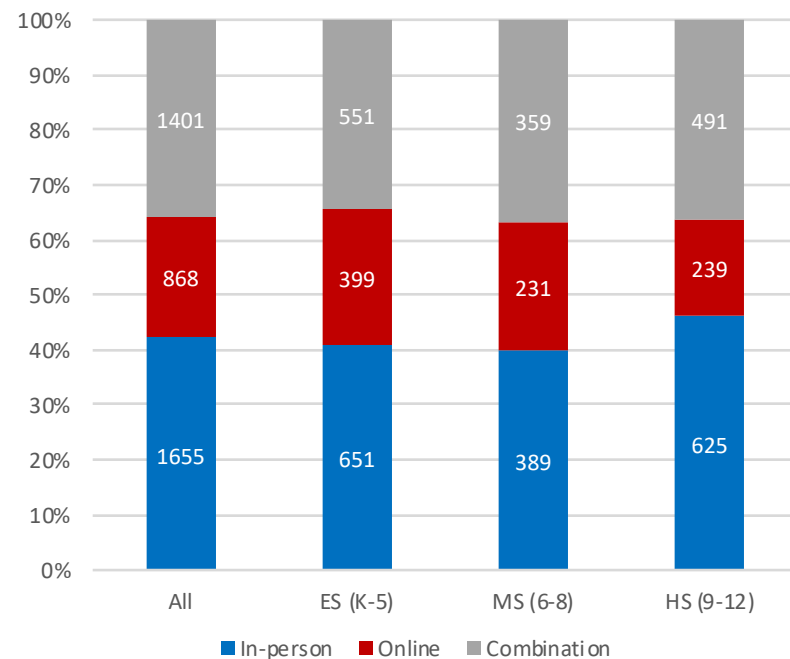

- The Student Reopening Survey opened on Thursday, June 18, and closed Tuesday, June 23.
- Students were notified of the survey via email, the District website and through social media posts.
- Nearly 4,000 CCS students responded to the survey.

# Reopening School

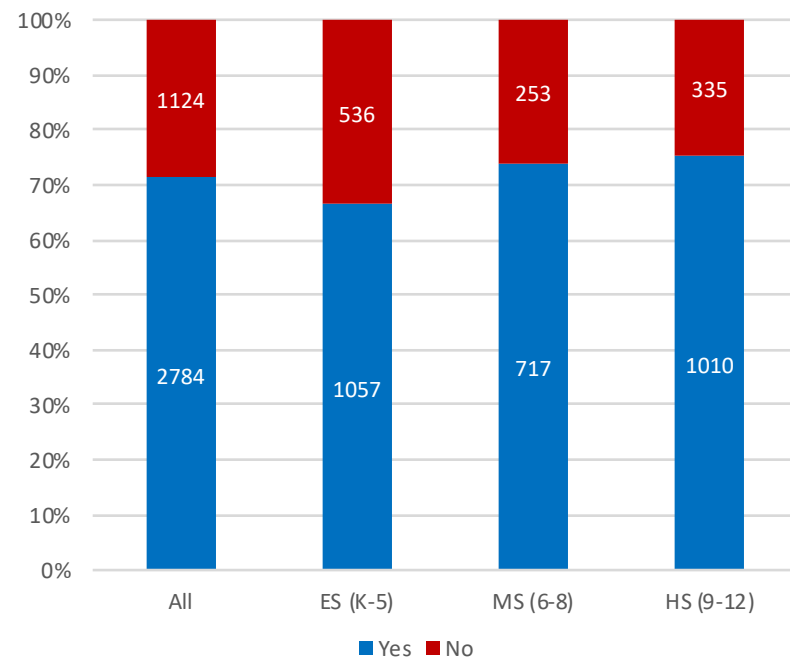

- Students were asked the following question about returning to school:  
How would you prefer to attend school in the fall?
  - 1) In-person at school following all health guidelines, including social distancing, hand-washing, and cleaning.
  - 2) Online learning with Columbus City Schools teachers delivering course content virtually.
  - 3) A combination of options 1 and 2 with students alternating between online and in-person.

# Wearing A Mask

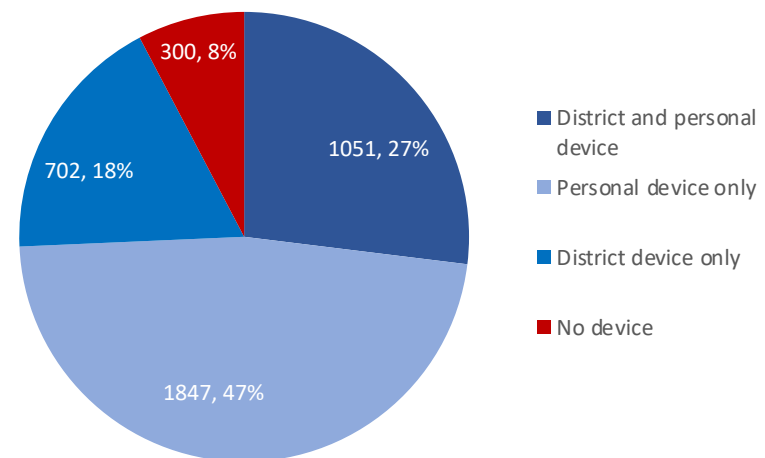

- Students were asked to respond to the following statement:  
“I will come to school if I have to wear a mask.”
- Approximately 71 percent of all respondents answered “Yes”.

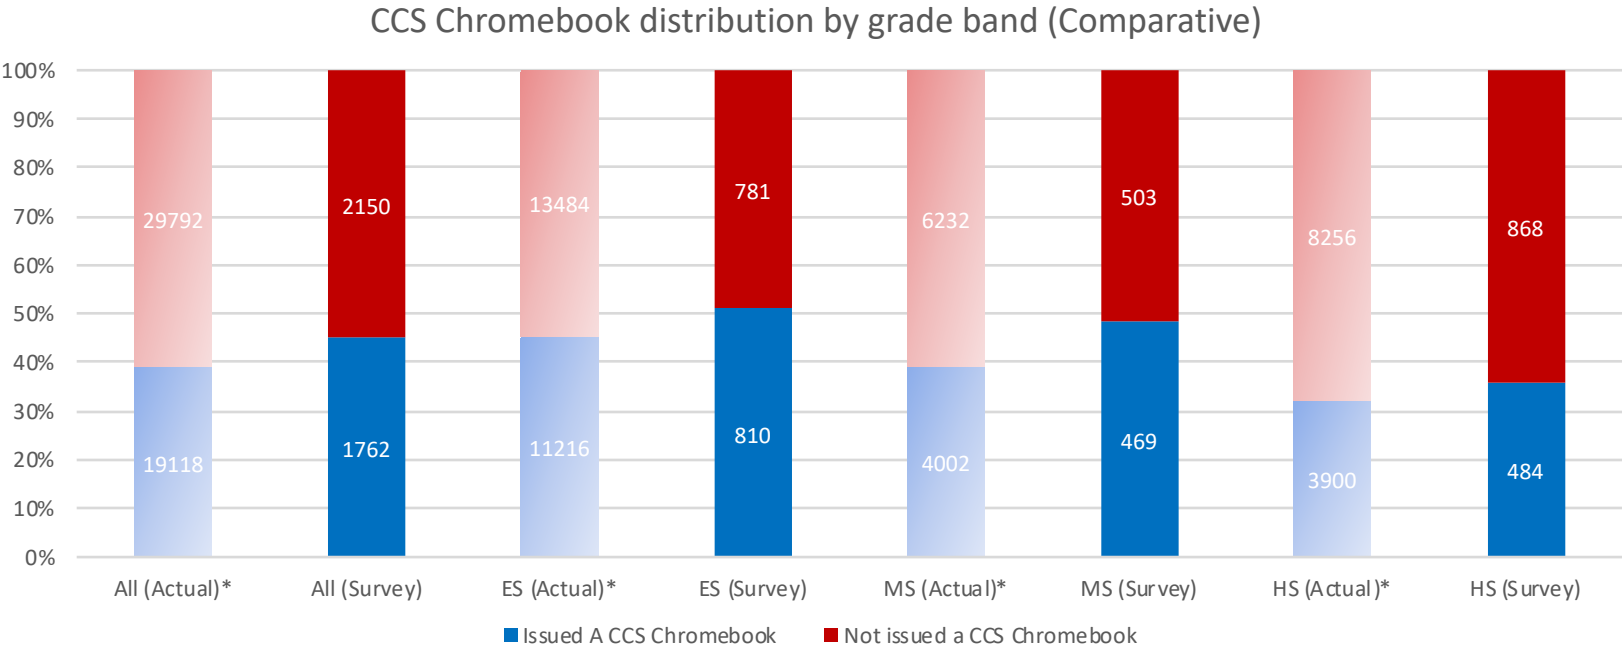

# Device Availability

- Students were asked if they currently have a personal computer, laptop, tablet or Chromebook to participate in online learning for the 2020-2021 school year.
- Additionally, students were also asked if they had a District-issued Chromebook to participate in online learning for the school year.
- Less than ten percent of respondents indicated they were without a device to participate in online learning next school year.

# Chromebook Distribution

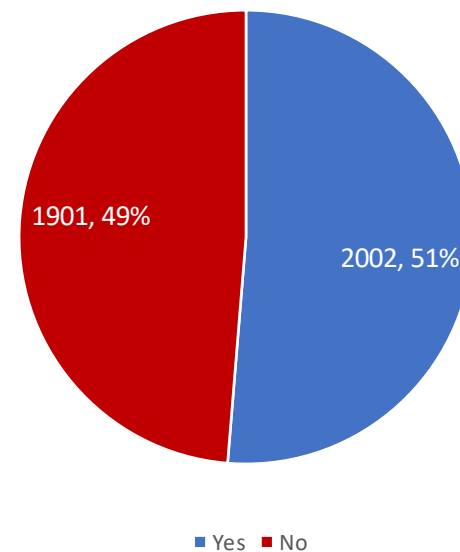

\* CCS Chromebook distribution information provided by the Office of Accountability, current as of 6/22/2020.

# Transportation

- Students were asked the following question:  
“When school reopens, do you plan to ride Columbus City Schools' yellow school bus for the 2020-2021 school year?”
- Slightly more than half (51 percent) of respondents indicated they planned to ride the bus in the 2020-2021 school year.
