## November Reading Challenge

This month's reading challenge is underway! This month, students read a book from the library and then fill out a "leaf" describing if they would recommend the book. Each leaf=one entry into our November raffle. Encourage your students to read!

## Picture Book Month

November is also Picture Book Month! Students of all ages enjoy being read to, and many picture books fit into curriculum topics! Please contact Ms. Viau for help doing a read aloud this month or any month!

## November Tech Tip

<https://picryl.com>

Use Picryl for help in finding media in the public domain! It's the largest public domain search engine out there!

## Review Games

During October, students have spent time using Blooket review games designed by Ms. Viau. Blooket is similar to Kahoot, but it's a work at your own pace game with some twists! If you're interested in bringing your students in for a review game, please contact Ms. Viau!
