

NOVEMBER 5TH, 2019 6:00-8:00PM DELAYED CONSEQUENCES

Free Parent Session!

Is there anything more stressful than thinking that you have to react immediately to a child's negative behaviors? *You don't*. Let me teach you how to be simultaneously strict and calm in the face of any behavior that a child could come up with, all on your schedule and at your convenience!

Scott Ervin, The Kid Whisperer, has over 18 years of experience working with a diverse array of children on a daily basis as a teacher, principal, superintendent, discipline specialist, behavioral consultant, and father. He brings a wealth of knowledge and understanding to his work. Scott specializes in succeeding with troubled and at-risk students. He teaches educators and parents skills and procedures that enable them to be calm and assertive with children.
