

Kick-start your nursing career!

Become an OhioHealth Pre-Licensed Clinical Extender (PCE)

WHAT IS A PCE?

PCEs are responsible for assisting licensed clinicians in the direct care of patients.

OhioHealth is seeking:

- + Recent graduates awaiting licensure and students in their last year of an accredited nursing program.
- + Compassionate individuals.
- + Critical thinkers and team players.
- + Graduates and students who hope to join an OhioHealth Nurse Fellowship after receiving their RN license.
