CCP opportunities at public institutions are free; there may be potential costs at nonpublic institutions. Students and parents must submit A Letter of Intent to Participate and return it by **April 1, 2021** in order to take CCP classes in the high school or on campus during the 2021-2022 school year, including summer 2021. Families who do not view the online CCP Information video must arrange a separate CCP counseling session with their school prior to participation in CCP.
