

A blue business card for Kyle Muntzinger. It features a photo of Kyle Muntzinger, a man with glasses and a beard, wearing a suit. To the right of the photo are icons of a laptop and a smartphone. Below the photo is the text "Kyle Muntzinger" and "Success Management". To the right of the icons is the email address "kyle.muntzinger@ApexLearning.com", office phone "937-998-3281", and cell phone "937-409-4466". The Apex Learning logo is in the top right corner.

Greetings from Apex Learning!

I am Kyle Muntzinger, Success Manager for Columbus City Schools. My role is to support building leaders and staff navigate Apex Learning programs. Columbus HS buildings are currently using Apex Learning for a variety of uses. From credit recovery to credit advancement each building has unlimited enrollments in Apex Courses. In addition, this school year all buildings have unlimited enrollments in Apex Tutorials. Tutorials brings a flexible approach to supporting students' needs in classroom with standards-based reporting and with a focused approach to gap closing. Check out the resource links below for more information.

- [Tutorials Implementation Framework](#)

If you would like to know more about Apex Learning programs, we are here to support you in the implementation process. Hadley Woodhouse, Apex Account Executive and I will be in the Columbus area from October 4th to October 6th if you would like to schedule a meeting in person. Also available at any time you can schedule a support meeting online using my bookings link below. Please contact us if you have any questions.
