PARENT TIPS

FROM YOUR FAMILY AMBASSADOR

Surround your child with books, or any reading material. Cereal boxes, food packages or milk cartons, even street signs. At any moment, ask them to read to you, or you can read to them.

READ TO YOUR CHILD.
Reading is the key to life-long learning.

Make it a fun game if you want.
Need books? Need help getting a library card for you or your child, give me a text @ 614-270-3186 or email me at lturner@columbus.k12.oh.us

November is the month we give thanks.
