

# BROADLEIGH ELEMENTARY

## December Newsletter

Dear Broadleigh Families:

Please dress your child appropriately for the upcoming inclement icy and snowy weather conditions.

The children should come to school wearing coats, hats, scarves, gloves, and boots (when necessary),

They will not go out to the playground for recess if the ground is icy and the temperature is below 26 degrees.

Your cooperation with this request will be greatly appreciated.

### PARENT TIPS FROM YOUR FAMILY AMBASSADOR

Dear Broadleigh Families:

Family Ambassador Tip for December:

Sending your children to bed early not only benefits their health and overall well-being. You get the privacy and quiet time that you need for your overall health and well-being as well.

Studies recommend children 7-10 years old, get approximately 10 hours of sleep each night."

**Parenting is a hard job. Do your Best,  
and have no regrets!**
