

HEALTH SCIENCE

Medical Assisting

Students will master the skills to care for patients primarily in medical offices and clinics. Medical Assistants are multi-skilled professionals who assist in patient care management, clinical, and administrative duties. Successful students may transition to partnering post-secondary institutions to complete the requirements for the Medical Assisting Associate's or Bachelor's Degree in a time-shortened program.

Academic Options: Advanced Science, Technology

Student Organization Opportunities: Skills USA

EARN
