HEALTH SCIENCE

State Tested Nursing Assistant (STNA)

Students will master the skills to care for patients who are ill, injured, or disabled. Prepare for a career working in hospitals or nursing homes under the direction of nurses and doctors. Successful students will be qualified to take the State Test for Nurse Assisting and may transition to partnering post-secondary institutions to complete the requirements to become a Registered Nurse in a time-shortened program.

Academic Options: Advanced Science, Technology

Student Organization Opportunities: Skills USA
