

HUMAN SERVICES

Cosmetology

Students will master the skills to become licensed to work in a salon. Students will develop technical skills in all areas of cosmetology, haircutting, color, permanent waves, relaxers, and hair designing. Students will practice their skills on actual customers in a modern salon setting. Students who successfully complete the program will be able to sit for the Ohio State Board of Cosmetology Licensing exam.

Academic Options: Elective

Student Organization Opportunities: Skills USA
