

## ARTS & COMMUNICATION

# Media Arts - Filmmaking & Television Production

Students will master the skills needed to become a film & television producer by acquiring the main aspects of live, multiple-camera, television, and radio productions. Students will operate high-definition studio cameras, video production switchers, character generators, professional videotape recorders, and audio mixing consoles. Students will also produce a regularly scheduled campus newscast and develop hands-on skills necessary to produce, direct, and engineer live television studio productions from script to credits.

**Academic Options:** Technology

**Student Organization Opportunities:** BPA (Business Professionals of America)
