

ARTS & COMMUNICATION

Media Arts - Photography

Students will master the skills to be employable in visual and media arts. Students have the opportunity to earn industry credentials in Adobe Photoshop and Adobe Premiere as well as Student Leadership. We have a spacious digital lab with iMacs, scanners and large format Canon photo printers. We also have a connected photography studio space where students use backdrops, professional lighting and Nikon dSLRs with a variety of lenses.

The curriculum focuses on essential camera functions, composition, lighting, elements of art, color theory, typography, animation and visual design. Students submit to state and national art contests, such as YoungArts, Scholastic, Ohio State Fair and Ohio Governor's Youth Art Exhibition through which they often earn scholarships for their award-winning images.

Academic Options: Technology

Student Organization Opportunities: BPA (Business Professionals of America)

EARN

Industry Credentials:

- Adobe Certified Professional Premiere Pro
- Adobe Certified Professional Photoshop
- Leadership Excellence
- OSHA 10
- CPR/First Aid
