

POINTS OF EMPHASIS

CCS SOCIAL STUDIES

Preparing Students for
Success in College,
Career, and Civic Life.

Disciplinary Literacy: read, write, and think like historians and social scientists

Blended Learning: an integrated experience of face-to-face and online learning opportunities

Universal Design for Learning: multiple means of representation, engagement, and expression

Active Digital Citizenship: critically evaluate online sources, engage in civil discourse, and use technology for civic action

Economic and Financial Literacy: master key concepts in market economics and personal finance
