---

- Word Sneak: A FUN Activity for Language Standard 6: Acquire and use accurately general academic and domain-specific words and phrases, sufficient for reading, writing, speaking, and listening at the college and career readiness level.
- Students work in partners. Each partner is given a list of words that they must work into a natural conversation. Each partner takes turns, going in the order of the list and trying to work the words into a casual conversation as seamlessly as possible.
- See this example from "The Tonight Show."
