

Personalized PD: Capture-Curate-Share

Capture-Curate-Share Personalized Professional Development (Personalized PD) is about Columbus City Schools educators having the autonomy for *Self-Directed Professional Growth*; Personalized PD is a time-saver for educators; focusing on what's learned and applied.

- Educators will be awarded *on-demand graduate credit* by curating their professional growth experiences such as:
 - Conference Breakout Sessions/Workshops/Webinars.
 - TBTs/BLTs/Application of District Teaching and Learning Resources.
 - Remote Learning, Classroom Teaching and Learning Experiences, etc.
- Educators can use digital tools (smartphones, laptops, tablets, etc.) to capture the learning experience.
- Educators will be able to document how they **Reflect-Align-Implement** the great CCS teaching and learning instructional strategies and/or curriculum.
