About Notre Dame

For nearly 100 years, Notre Dame College has educated a diverse population in the liberal arts for personal, professional and global responsibility. Founded by the Sisters of Notre Dame in 1922, the College has grown strategically to keep pace with the rapidly changing needs of students and the dramatic changes in higher education. But it has never lost sight of its emphasis on teaching students not only how to make a good living but also how to live a good life.

Today, the College offers bachelor's degrees in 30 disciplines plus a variety of master's degrees, certification programs and continuing and professional development programs for adult learners on campus and online. Hallmarks of the Notre Dame experience include stimulating academics, personalized attention of dedicated faculty and staff and small class sizes.

Accreditation

Notre Dame College is regionally accredited by the Higher Learning Commission to grant bachelor's, master's and doctoral degrees.
