

PROFESSIONAL DEVELOPMENT OPPORTUNITIES FOR EDUCATORS

DESCRIPTION

Ohio State's College of Education and Human Ecology is offering educators timely and relevant professional development in response to current needs and trends in education. Professional development workshops and continuing education units allow educators to address the rapidly developing needs of the students they serve.

NO OHIO STATE APPLICATION IS NEEDED FOR ENROLLMENT! Educators will receive documentation of successful completion of their participation to add to their portfolio. However, no university credit will be earned. Please speak with your LPDC to determine how this applies to your individual professional development plan.
