What We Do

Academic Support

Each day students have time to work on their homework and we provide math and reading skill building opportunities.

Social Emotional Learning

We use team building, goal-directed behaviors, personal responsibility, and decision making in most of our activities each day.

Health & Wellness

Students participate in daily health and wellness activities that focuses on building fundamental skills through sports and activities.

Enrichment Activities

Students explore various topics of interest, engage with real-world projects, and participate in STEAM activities.

Family Engagement

We have monthly family nights that allows families to see what we do at after-school programming and to get to know our staff members.
